

In light of the evolving situation with COVID-19, I want to provide you with an update on Invest Canada, CVCA's largest and most critical annual initiative. At this time we are working closely with our host, The Fairmont, to explore our options to reschedule IC20 for later in the year.

Moreover, we have taken the extraordinary step of convening the Board of the association on April 2 to determine next steps.

We want to make it absolutely clear that the safety of our colleagues, members, and partners is important to us, and we will continue to keep you updated on decisions that will impact IC20.

These are challenging times for all of us. We look forward to the next time we are able to gather the Canadian private capital community. As always, thank you for your continued engagement.

Sincerely,
